

## PRESS RELEASE

For immediate release

### **ESI TECHNOLOGIES WELCOMES DENIS DUFOUR AS NEW ACCOUNT MANAGER FOR ITS QUÉBEC CITY OFFICE**

#### **Mr. Dufour brings his experience in sales to ESI's Québec office**

**Montréal, QC – June 1, 2016** — ESI Information Technologies today announces that Mr. Denis Dufour has joined the sales team of its Québec office.

Mr. Dufour has 24 years of experience in sales at Canon Canada, where he successively held the position of Commercial Accounts Representative during nine years, promoted directly to national accounts and then Sales Director of the Québec office since 2007.

Mr. Dufour's roadmap is eloquent: he ranked among the top three Canadian representatives from 140 for five consecutive years, received the annual award of "Top National Account Executive in Canada", was recognized Canon Elite President's Club 11 times, received the award for best Sales Director in Canada his first year and the Excellence Award for his involvement and dedication in the organization.

*"We are very pleased that Denis shares with ESI his great experience in sales and his enthusiasm with our team. I am convinced his coming will contribute to ESI's success!"* declared Ms. Josée Galarnéau, Sales Director at ESI Technologies.

*"It is with great enthusiasm that I have accepted to join ESI Technologies to broaden my horizons and promote ESI's service offerings to clients of the Québec City region"* said Mr. Dufour. *"This new challenge will allow me to share my experience within an innovative company in transformation."*

#### **About ESI Information Technologies**

As a reference and leader in the fields of datacenter design and deployment, storage and virtualization solutions integration, ESI applies its expertise to ensure the security, availability and efficient management of our clients' data and the cost-effective control of its growth. Regardless of the location of its clients' applications or data and delivery method (private, public or hybrid), ESI enables its clients to get the most out of their IT investments to support their expected business outcomes. ESI has its head office in Montreal, and business locations in Quebec City and Toronto. To learn more about ESI, visit [www.esitechnologies.com](http://www.esitechnologies.com)
